Summer is upon us and we have an extraordinary lineup of kinky women for you!

Gorgeous Gianna Dior surprises us all with her penchant for golden showers. Who would have thought? Lucky for us, TABOO girls are not shy. They share with us their deepest perverted secrets.

Scarlett Bloom looks so sweet and subdued, all bound up. But don't let that fool you. She has a lot to say, particularly about her experience with racism in our industry. Her voice is heard loud and clear in the pages of TABOO.

There is the enigmatic Alex Harper. Her sly smile and authoritative style assures you Alex knows exactly what you want. She wears that fat dilo with aplomb, and she sure knows how to use it.

Tragedy gets roped in by lensman Chas Ray Krider. This doe-eyed, tatted treat will inspire your inner Master. She needs a lot of training and is certainly more than on board.

Write to us, email, tweet. We love to hear from our readers! *—Cynthia Patterson, Creative Director*

Patreon: Food Fetish Fun

I understand that you have a food fetish. Can you tell us a bit about that?
Food fetish is one of my top fetishes because, depending on my mood, when I'm eating I can actually climax… just by eating! So I decided to create a Patreon page that's dedicated to that. I cover myself in food and eat the fuck out of it, and it's really fun and sexy!

How long have you been fetish modeling?
I've been modeling for seven or eight years and fetish modeling for five to six years. I started pretty soon after I began modeling. The biggest fetish that I shoot for is feet. I think foot fetish is one of the top three fetishes in the world.

What's an example?
Once, I was hired to suck on this girl's toes, and I was not into feet then, but then I started to like it. Then I did a 20-minute footjob video without using my hands, with no cuts, and I made him come with my feet only! That's tough work. You gotta have some good fucking core strength for that!

Wow! I bet he enjoyed it.
Well, he *came* so…I *hope* so! Speaking of, I think I'm going to entertain myself during this interview, if you don't mind?

No, not at all. Please do.
[*Her finger finds her clit, massaging it.*]

So what is your favorite personal fetish other than food?
Chicks with dicks. I got to wear a dick today, so I had a lot of fun!

Are you a switch, Dom or submissive?
I'm technically a switch, but I'm mainly dominant with an occasional submissive side.

Tell us about pissing.
That was my *first time ever* pissing for photo or video! I'm glad I did it for TABOO! I think I did a pretty good job though…I think I got *most* of it in the bowl! I really tried hard! :-)

You did your first pissing on camera today, but have you ever pissed on anyone before?
I don't *think* I've ever pissed on someone. I have had boyfriends piss on *me*. When I'm watching porn and she's squirting, which we *all know* is majority piss with *some* cum mixed in, or seeing a girl getting pissed on, I think that's hot! But, in my *personal* life, not really. The smell of pee can make me sick! I'm literally into everything *except* for scat, that's a no-go for me. But milk enemas, gapes and urethra play are great!

What are your feelings about androgyny?
I've always loved it from a young age. Every day I would dress differently. Sometimes I would wear suits, and sometimes I would dress like a super Barbie doll. I love everything. And androgynous fashion, like Ruby Rose, I'm super into that! It makes sense though, being that one of my favorite fetishes, besides foodinary, is trans. I can't *even* describe how happy this fetish makes me! It's always been my number one thing. It's the best of *both* worlds…tits and a dick, and sometimes even a pussy as well!

When you do couples scenes, do you prefer to be dominant or submissive?
For the most part I prefer to be dominant, because I naturally lean that way. I'm never really nervous on set anymore like I was when I first started. So I just naturally lead the person. It's easier to do with girls. There are more girls out there that are submissive than dominant, and I love dominant girls. There have been some guys that have been able to put me into subspace, and again, I'm a switch, so I like that.

What about in your personal life?
Pretty much the exact same. Depends on the people. I really like girls.

What are some of the more unusual scenes you have done on camera?
Well, I've done stuff like put whipped cream up my ass and then did cream farts. That was fun! It was for a scene, and when I shot it out of my ass it landed on the couch, and I licked it off! I'm a pretty *dirty* girl!

Tell us about your interest in urethral play.
I don't mind doing it to myself, but I've had a nurse insert a catheter wrong and *that* was a horrible experience! When I was younger, I would put my pinky in my urethra while I was masturbating. Over time my piss-hole got larger. That's why I've got a big clit, 'cause I never leave it *alone*! I play with my lips *so* much; that's why they are long! So, basically, what I'm saying is that I've got a meaty pussy!

Are you in any kind of personal fetish-type relationship?
Yes and no. Since I'm so busy, I date around a *little* bit. I don't live the BDSM lifestyle 24/7, but sometimes I will run into a girl who likes more aggressive stuff. I will run into a guy who likes me to squeeze his nipples so hard that it hurts my hands! So I'm still around that in my personal life, but I definitely do more kink stuff on camera—which I *really* like to do! *Ooooh*…I'm going to come soon! Can I come during the interview?

Sure! Yes you can!
[*A small vibrator emerges.*]
I'd love to come back and experiment with urethra play in the future, or do more submissive stuff—leg and foot, etc. *Ooooh…I'm coming! Oh, fuck!* I beat the hell out of my pussy today, which is hilarious, because yesterday I think I came *20 times*! I've been *very* horny lately.

What about spanking? Do you like spanking?
Yes, I do. But it sucks because my body marks very easily. I have a high threshold for pain, so I have to be careful. I do like whipping, flogging, paddles and different types of impact play. I've had my butt look like a cherry tomato after spanking, and that shit lasts for more than a *week* on me! So, yeah, I gotta be careful.

When did you start fetish modeling?
I did a Fem Dom scene for the first time, and I thought I was going to be out of my comfort zone, but once I did it, I realized how much I enjoyed it! It did take me a little while to work up the nerve to feel comfortable inflicting pain on someone, but it was fun!

What kind of fetishes do you like, and do you have an interest in fetish in your private life?
I have a pee fetish. I don't like *drinking* pee, but I love guys peeing *on* me, and I like to pee on people! I also have a slight daddy fetish.

Why did you want to shoot for TABOO?
Honestly, *because* it sounded like it was out of my comfort zone. I like to challenge myself and push my boundaries.

Have you ever been spanked?
Of course! I *love* being spanked, especially during sex. I also like the warm feeling my ass gets after a good spanking.

What is the wildest thing you've ever done on set or in front of a camera?
Well, I really like to be choked. One time, when I was fucking this guy and he was choking me, I kept telling him to choke me *harder*. He did, and I blacked out! It wasn't on set; this was in my personal life. It was pretty intense, and I loved it!

What do you think about anal sex?
I've attempted anal and succeeded in my personal life. I don't think I will be doing it anytime soon on film. I *did* enjoy it though!

Are you more interested in the art of fetish modeling or the sex of fetish porn?
Definitely the art, because when I have done fetish, I get a really euphoric experience, like a high. It's *so* different than regular vanilla porn sets. It's always nice to do something different!

Is there anything else you'd like the TABOO readers to know about you?
I'm going to keep exploring my fetishes, because it's still new to me. So watch for me doing more fetish as the opportunities arise. I look forward to it!

How was your experience today?
It was very new and challenging, because I hadn't done anything like that before! I pushed myself, and I like to try new things.

So, this was your first bondage shoot?
Yes. I'd never done this before.

Do you have any personal fetishes?
I don't really have any particular fetishes, but about a week ago, when I was visiting my boyfriend, we discovered a new *type* of fetish.

What type?
Getting fucked while wearing his pants!

How does that work?
It was pretty fun. He just came over to me and we started laughing while taking our clothes off. Then I grabbed his pants and put them on, and then he started fucking me!

Was today the hardest you've ever been spanked?
No, because my boyfriend is *really* into that. He likes to *bite* my ass too!

Do you like being bitten on the ass?
No. But I don't want to kill the mood, so I go along with it…

What is the wildest thing you've ever done on or off camera?
One of my first boyfriends snuck me into his house while his parents were home. I had to pee, so I ran into the bathroom, but then I had to hide because his *mom* came in to pee! Then his *stepdad* came in to have a *shit*. It was *crazy*.

What's something that you've done in porn that you hadn't done before?
Well, I've had a *lot* of firsts in porn. I was always seen as promiscuous when I was in high school, but when I got into porn I realized I was *very* vanilla. I had my first girl/girl and first threesome in porn!

How do you feel about anal?
Fun fact: I actually lost my virginity getting anal! I had not planned on the night going that way, *and* I haven't done it again since. We tried doing it again, but it just didn't work out as well as the first time.

Have you ever been pissed on or pissed on someone?
No, but I think it's an interesting fetish! I can kind of see the appeal.

Are you in a fetish lifestyle partnership or would you want to be in one?
No, I'm not. I feel my relationships tend to already be kind of taboo because of the fact that I do porn.

What would you like your fans to know about you?
I think one thing that tends to surprise people is how outspoken I am. I know I seem like kind of a quiet person, but I am vocal about things such as being a black woman in this industry. I feel that it's important for me to help open doors for other black women, to create a safe space for us and to break down some of the stereotypes in this industry.

What are some of the things that concern you, as a black woman in this industry?
Well, basically, this is a very racist industry, and a lot of people do acknowledge that. And race is something that tends to be fetishized in porn. Even when I first started working, there was a big discussion going on regarding models charging interracial rates. So, a non-black model can charge *more* for working with black men. And there's a weird angle that they try to use in order to justify it—such as, they feel that black men's dicks are bigger, so they should be able to charge more. My problem with *that* rationale is that there are *plenty* of non-black guys with big dicks too! So, if that's the case, then you should be charging a *big-dick* fee…period.

I've already had some issues since I've started. I'm still new, and, when I first moved to California, I noticed that a lot of people weren't used to seeing black people that are my complexion. So they have tried to promote/market me as being another race—like Asian—as click-bait, even after I have *specifically* explained to them that I *am* black. I find that to be very disrespectful.

It can be a lot to deal with. I've been happy with the support that I've gotten from other black models in the industry. We understand what one another has to put up with, and we support each other on social media, which is where *a lot* of the trolls are.

We are glad that you are in the industry and are helping bring more awareness to the issue of racism in porn. You go, girl!

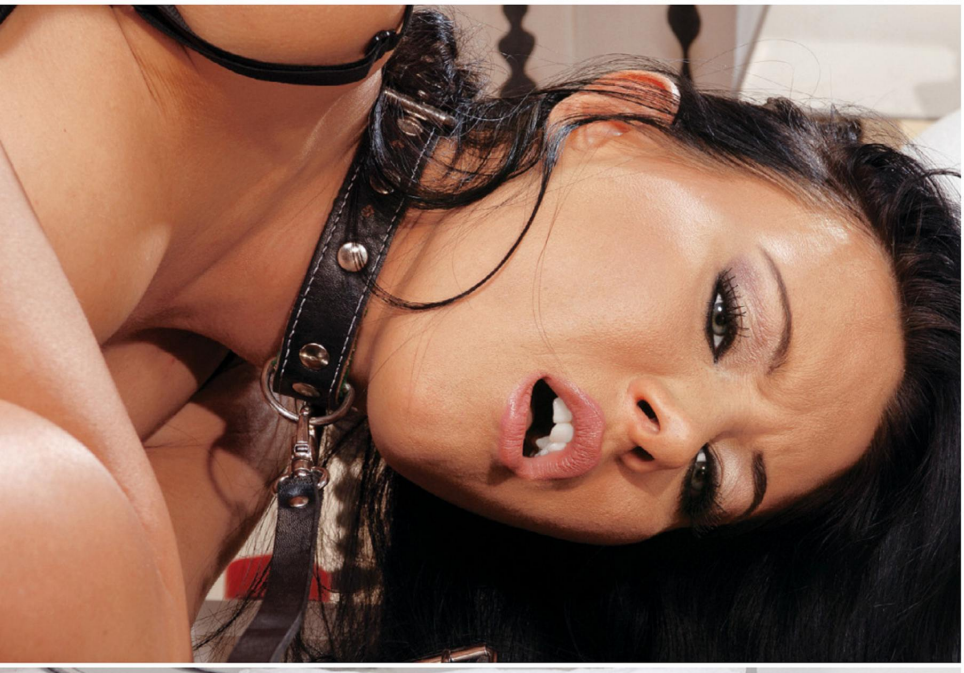
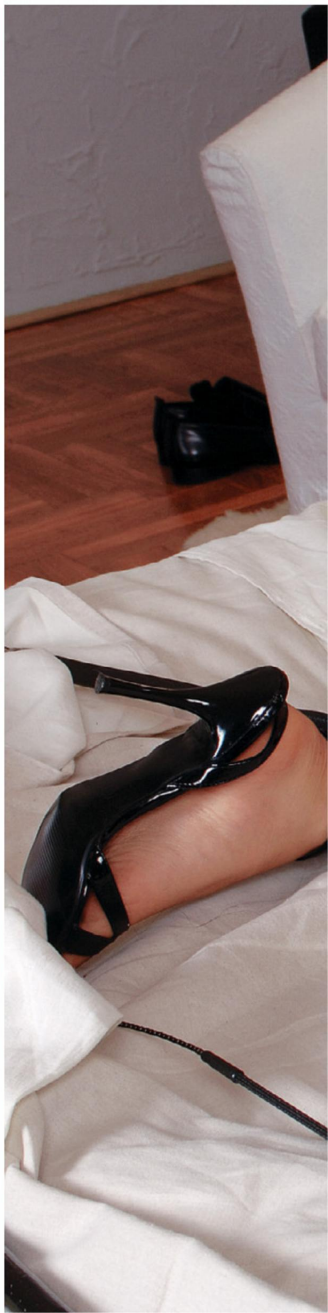
CLAUDIA AND JAMES

PHOTOGRAPHER
DDF PRODUCTIONS

Claudia bends forward and spreads her ass cheeks to show off her clean, tight pucker. Everything is prepared as James instructs in his phone call, especially Claudia's anatomy. The thick plug slides so easily into her well-greased rectum, he kisses her in appreciation. He works her hard for her rewards, as he reminds her with a curt order to the bedroom. On all fours, plugged bottom up, Claudia takes the hard swats of the crop unwaveringly, knowing the sight of reddened ass flesh inspires James every time. The hard, thick slap of meat thrust into her warm, wet mouth proves the rule. She sucks him just so, giving him plenty of eyes.

Splayed and strapped flat, Claudia can only squirm and squeal at his well-targeted whipping of her thighs, nipples and pussy. He wants those parts extra tender before her treat. Lifting her by the hips, James sucks her clit as only he can, taking her right to the edge before proceeding to the real focus of today's exercise, which is all about Claudia's ass. He packs it full of gristle slowly, first on her back, then flipped over for a hard, steady buggering. Freed at last, sweating and panting, she mounts up on it from above, impaling her own anus. Fingering herself furiously, Claudia begs permission to come and receives it, knowing what she'll have to do in return. Licking her lips as she dismounts, she prepares to suck him clean and dry. Her training as an anal slave is proceeding right on schedule.





IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Smokin' hot Vienna Black is all tied up in knots. She tries so hard to please her Dom. He can be so demanding. She's grateful for the pussy rope. He placed the knot squarely on her clit so she can enjoy his cruelty.

Latex fans will love Jenna, a self-proclaimed rubber fiend. Her ample curves pack tight in all the right places. She works very hard to get all the wrinkles smoothed out. So fastidious!

Plus, lots more bondage, gags, pissing, and all the beautiful female flesh you've come to expect from TABOO. See you next time!
